Peanut Butter Dog Biscuit Recipe

This recipe will make approximately 18 biscuits.

Ingredients

- 2 cups of flour (white or wholemeal)
- 1 cup of quick oats
- 1/3 cup of smooth peanut butter (90grams)
- 1 tablespoon of honey (30grams)
- ½ tablespoon of fish oil (Approx. 7 x 1500mg capsules)
- 1 cup of water

Method

- Preheat the oven to 180 degrees Celsius.
- Mix the flour and oats together in a bowl.
- Add ¼ cup of hot water to the peanut butter, honey and fish oil and blend well. Then add this mixture to the oats and flour.
- Gradually add the remaining ¾ cup of water, until the mixture has a thick and doughy consistency. You may not need all the water. You usually need to blend the mixture by hand.
- Lightly flour a cooking surface. Roll the dough onto the cooking surface to create a 1 cm thick sheet.
- Create bone shaped cookies with a cookie cutter. Place onto a baking sheet and bake for up to 40 minutes. Ovens can vary so 35 minutes is usually about right as you do not want the biscuits to be hard.

The only thing I like more than my KONG are these delicious biscuits!
